WORK EXPERIENCE

IT Support \ SMM manager

Microlab Ukraine, Feb 2019 - present

I optimize/write landing pages of websites, make them user-friendly. I also create advertising materials on Facebook and Instagram

EDUCATION

Web developer courses from Ivan Petrichenko

Web developer, 2020-2021

After the course, I independently wrote a website for ordering pizza, an encyclopedia of Game of Thrones, a TODO list, and other small projects

NTUU "KPI" of Sikorsky

Bachelor of Mechanical Engineering, 2013 - 2017

Graduated with an average score of 4.0. Defended my diploma project at 5.
